

BioGarlic

This proprietary formulation of odor-reduced garlic ensures absorption of the active ingredients to keep the body healthy and strong.

Features:

- Each capsule contains 400mg of garlic powder and other supporting ingredients.
- Special odor-modified garlic allows you to enjoy the benefits of garlic without the unpleasant taste/ smell of raw garlic.
- Contains lemon bioflavonoid, parsley, rutin and capsicum powder to provide multiple plant compounds for additional nutritional benefits and better absorption.

Directions:

Take 2-6 capsules per day with meals.
