

VIVA Cal-Mag & D Plus

Nutrients for strong bone and teeth

Cal-Mag & D Plus from VIVA Life Science is a formula consisted of calcium, magnesium, zinc and vitamin D3. Calcium is an important mineral to build strong bone and teeth. While magnesium, zinc and vitamin D3 help to strengthen the function of calcium inside bodies.

Besides, Cal-Mag & D Plus also contains nutritious VIVA concentrate, which is concentrated from eight types of fruits and vegetables. It does not contain coloring, artificial flavors or preservatives.

Every tablet of Cal-Mag & D Plus provides 250mg calcium, which is crucial to bone and teeth health.

Directions:

Take 2 tablets daily as a dietary supplement.
