

LipoGuard

LipoGuard is a proprietary formulation of concentrated omega-3 fatty acids, garlic and other supporting ingredients. It is a dietary supplement designed in VIVA laboratories to deliver scientifically sound nutritional support to general well-being.

Features:

- It is a specialized fish oil formula that combines the benefits of garlic, lecithin, rutin, parsley and capsicum.
- Soft gel form is easy to swallow and ensures quick absorption.
- Processed under stringent quality control to remove heavy metals and impurities.
- Added vitamin E works as an antioxidant to prevent fat from becoming rancid.
- Packaged in amber glass bottle to preserve its freshness.

Directions:

Take 2-3 capsules daily.
