

REBUILD

Serum Protein Complex 30 ml (1 oz)

The jewel of the Toujours line, this moisturizing complex is the most luscious natural skin repair and rejuvenation formula. While minimizing irritation and stress from exfoliation and other aging factors, this healing moisturizer protects dermal proteins, renews and softens the skin. Each dab contributes to the building of healthy, supple new cells to make the skin glow with vitality.

Features:

1. Sunflower / Safflower Fatty Acids - moisturize and soothe the skin.
2. Serum Protein - protein from yeast extract for molecular and cellular level skin repair.
3. L-Alpha Lecithin - chirally correct lecithin from egg yolk that is a highly penetrating, nutrient rich antioxidant. Protects dermal proteins and keeps skin soft.
4. D-Alpha Tocopherol - chirally correct natural vitamin E derived from purslane that acts as an antioxidant, photoprotective moisturizer and natural preservative.
5. Aminoguanadine - keeps sugar from crystallizing on collagen fibrils in order to keep them from becoming brittle. Soothes and softens the skin.
6. Grape Seed Extract - Powerful antioxidant that provides antioxidant protection and protects the skin from radiation.

Directions:

Press onto cleansed and toned face and neck.
