Betapure Bar (2 oz) / Liquid (60ml)

Filled with chirally correct nutrients, this pure translucent bar is not soap. Contains a plethora of fortifying and healing properties, this moisturizing cleanser protects multiple layers of your skin with rich antioxidants, while aiding your skin in producing its own moisture. Lather away dirt, oils and pollutants that accumulate throughout the day, leaving your skin soft and squeaky clean.

Features:

1. D-Beta Glucosamine - chirally pure extract of the Chinese Fox Glove plant that helps the skin produce cellular lubrication and strengthens membranes.
2. D-Beta Fructan - chirally correct sugar polymer from dates that boost moisture and immunity at the cellular level. Helps the skin produce its own moisture.
3. Honey - natural sugar acids that help normalize the pH of the product.
4. L-Alpha-Lecithin - chirally correct lecithin from egg yolk that is a highly penetrating, nutrient rich antioxidant. Protects dermal proteins and keeps skin soft.
5. D-Alpha Tocopherol - chirally correct, natural vitamin E derived from purslane that acts as an antioxidant, photoprotective moisturizer and natural preservative.

Directions:

Add water to the bar to form a lather before smoothing it over the face and neck with light circular motion for about half a minute. Rinse off thoroughly with water and pat dry.
