

VIVA Guard

VIVA Guard from VIVA Life Science is a formulation from fruits and vegetables concentrate. It contains extract powder from wheat sprout, bean sprout, alfalfa, spinach, parsley, cabbage, carrot, pineapple, orange, papaya, tomato and strawberry. As a result, VIVA Guard provides a broad spectrum of nutrients that are essential to health.

No preservatives, artificial coloring, artificial flavoring, salt or animal products added.

Directions:

Take 2 to 3 tablets twice a day.
